Flying rules :

No cars accepted on the field and tracks. Use the dedicated areas.

Test flights can be done only upfront of the starting line and at least 100 m off.

Timing : Thank you to apply as a timer if you do not fly.

If we have not enough timers, timing will be accepted to be done by a competitor of the same plot. Official timers will be assigned for control.

Mics. Beverages and snacks will be available on the field

Access

Beware that the bridge over the river Saône on the Uchizy road is limited to 1.8 meter high.

Bigger vehicles must take the bridge leading to Pont de Vaux then drive 4 km North to Arbigny to reach the Uchizy road.
